

Rehsiff Scientific®

Manufacture & Importer of Laboratory Fine Chemicals, Diagnostic Kit & Lab wares

Minimum assay (HPLC)/T 99.0% Melting range 169-170°C Suitability Passes test Note(s): Assay (if applicable) method mentioned. DANGER Hazard statements: Toxic if inhaled. Toxic in contact with skin. Toxic if swallowed. Maycause allergic skin reaction. May cause damage to organs through prolonged or repeatedexposure Toxic to aquatic life Precautionary statements Prevention: Do not breathe dust/fume/gas/mist/vapours/spray. Wear protectivegloves/clothing. Use only outdoors or in a well ventilated area. Do not eat, drink or smokewhen using this product. Wash hands thoroughly after handling. Response: Immediately call a POISON CENTER or doctor/physician. Washcontaminated clothing before reuse. If skin irritation or rash occurs, seek medicaladvice/attention. IF INHALED: Remove to fresh air and keep at rest in a positioncomfortable for breathing. Keep container tightly closed. Specific treatment: refer to Label or MSDS. Get medical advice/attention if you feel unwell Disposal: Dispose of contents and container in accordance with relevant legislation	PRODUCT CODE	R04564	
CLINO. 5-09-94 CASR NO. 609-99-4 CATOMIC OR MOLECULAR FORMULA C ₇ H ₄ N ₂ O ₇ CATOMIC OR MOLECULAR WEIGHT 228.12 Slightly soluble in water. PARAMETER LIMIT Description White to yellow-Green powder. Solubility Slightly soluble in water. PARAMETER LIMIT Description White to yellow-Green powder. Solubility Slightly soluble in water. Melting range 169-170°C Suitability Passes test Note(s): Assay (if applicable) method mentioned. DANGER Hazard statements: Toxic if inhaled. Toxic in contact with skin. Toxic if swallowed. Maycause allergic skin leaction. May cause damage to organs through prolonged or repeatedexposure Toxic to aquatic life precautionary statements Prevention: Do not breathe dust/fume/gas/mist/vapours/spray. Wear protectivegloves/clothing. Use only outdoors or a well ventilated area. Do not eat, drink or smokewhen using this product. Wash hands thoroughly after handling. Response: Immediately call a POISON CENTER or doctor/physician. Washcontaminated clothing before reuse. If skin irritation or rash occurs, seek medicaladvice/attention. IF INHALED: Remove to fresh air and keep at rest in a positioncomfortable for breathing. Keep container tightly closed. Specific treatment: refer to Label or MSDS.
