

## Rehsiff Scientific®

Manufacture & Importer of Laboratory Fine Chemicals, Diagnostic Kit & Lab wares

SYNONYMS  4-Indolol, 4-Hydroxyindole  C.I. NO.   CASR NO.  (2380-94-1)  ATOMIC OR MOLECULAR FORMULA  ATOMIC OR MOLECULAR WEIGHT  133.15  PARAMETER  LIMIT  Description  Grey to green powder or crystals.  Minimum assay (GC)  99.0 %  Melting range  97 - 99 °C  Note(s):Assay (if applicable) method mentioned.  WARNING  Hazard statements: May cause respiratory irritation. Causes skin irritation. Causes serious eye irritation.  Prevention: Avoid breathing dust/fume/gas/mist/vapours/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection.  Response: IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician if you feel unwell. If eye irritation persists: Get medical advice/attention.  Disposal: Dissolve the chemical to be disposed, in water and allow it to run to waste, diluting with large quantities of water. The quantities greater than 10g should be dissolved in water and transferred to heavy metal waste drums for collection by specialist disposal company.	4- <b>HYDROXY INDOLE</b> FOR SYNTHESIS			
CLI.NO.  CASR NO.  (2380-94-1)  ATOMIC OR MOLECULAR FORMULA  ATOMIC OR MOLECULAR WEIGHT  133.15  PROPERTIES  PARAMETER  LIMIT  Description  Grey to green powder or crystals.  Winimum assay (GC)  99.0 %  Melting range  97 – 99 °C  Note(s): Assay (if applicable) method mentioned.  WARNING  Hazard statements: May cause respiratory irritation. Causes skin irritation. Causes serious eye irritation.  Prevention: Avoid breathing dust/fume/gas/mist/vapours/spray. Wash thoroughly after handling. Use only outdoors or no a well-ventilated area. Wear protective gloves/ protective clothing/eye protection/face protection.  Response: IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician if you feel unwell. If eye irritation persists: Get medical advice/attention.  Disposal: Dissolve the chemical to be disposed, in water and allow it to run to waste, diluting with large quantities of water. The quantities greater than 10g should be dissolved in water and transferred to heavy metal waste drums for collection by specialist disposal company.	PRODUCT CODE	R09097
